INSPIRATION KIT

Just like the Street Twin, the new Street Scrambler has been designed with personalisation at its heart. With more than 150 accessories to bring more rugged off-road focus and performance, more style and more everyday usability.

There are a number of accessories available to enhance the off-road focus of the Street Scrambler. These include adjustable rear Piggyback FOX shocks with threaded preload adjustment and 24 position compression damping, a larger internal

piston and external oil reservoir and a black glass filled nylon headlight grill, with a pressed steel matt black finish bezel. Also available is a forged and machined aluminium handlebar brace, finished in anodised black, with a stylish brown vinyl bar pad embroidered with the Triumph logo and premium pressed aluminium left hand side number board panel with a clear brushed finish.

The photography within this brochure shows Triumph motorcycles being used by expert professional riders in protective gear under professionally controlled, closed course conditions. Triumph does not endorse or encourage stunts, tricks or any form of irresponsible riding. At Triumph, we want every ride to be safe and enjoyable. Always ride safely, defensively and within the limits of the law. Always ride appropriately for road conditions. Always ride within your ability. Take a riding skills course. Always wear an approved helmet, eye protection and appropriate protective clothing. Always insist that all passengers do the same. Never ride while under the influence of alcohol or drugs. Study your owner's manual and inspect your Triumph motorcycle before riding. Data given to UK market specification. Specification may vary by market. Some Triumph motorcycles are designed as street motorcycles. Triumph does not support the use of street motorcycles in off-road environments. Street motorcycles are not suitable for off-road use. Triumph does not endorse or encourage the use of street motorcycles off-road. Off-road use could expose yourself and others to serious personal injuries or even death. Silencers: Triumph accessory silencers are not for use on the public roads.

Unless otherwise stated, Triumph accessory silencers do not conform to on-road noise or emissions standards in countries where such standards apply. Use on-road may therefore violate the law. These products are designed for closed circuit competition use only. Triumph accessory silencers will require a specific tune download, which is available from your authorised Triumph dealer. Specification may vary by market. Some accessories are prohibited by local law. As a motorcycle owner/rider, it is your responsibility to know of and comply with all local laws. If you have any doubt, contact your local authorities. All details correct at time of going to press. Triumph Motorcycles Limited reserves the right to make changes without prior notice. This brochure contains models that are not available in all countries, please consult your dealer for model and colour availability. Please note that this brochure contains images of motorcycles that feature accessories and this may or may not be stated. Triumph Motorcycles Limited takes no responsibility for any misunderstanding of standard specification that this may cause.
