ABOUT CORNERSTONE

Triumph Roadside Assistance is administered by CornerStone United. CornerStone United is one of the oldest and most experienced warranty providers in the USA and Canada. Headquartered in Hickory, NC with a secondary location in London, ON, CornerStone has a team of 70 employees that are dedicated to getting their customer’s vehicles back on the road as quickly as possible.

COVERED ROADSIDE SERVICE

TOWING
In the event a mechanical or electrical disablement which renders a coverable vehicle inoperable anywhere in the US and Canada, customers may contact roadside assistance to arrange for a tow to the nearest Triumph dealership, or another destination of the customer’s preference, in accordance with the coverage limit.

BATTERY SERVICE / MINOR MECHANICAL DISABLEMENT (VEHICLE WON’T START)
In the event a covered vehicle is disabled due to a drained battery, a service call will be provided to conduct a jump-start in order to get the covered vehicle operating properly. The cost of a new battery and any additional installation costs, if applicable, shall be at the customer’s expense.

FLAT TIRE ASSISTANCE
In the event a covered vehicle is disabled due to a drained battery, a service call will be provided to conduct a jump-start in order to get the covered vehicle operating properly. The cost of a new battery and any additional installation costs, if applicable, shall be at the customer’s expense.

FLUID DELIVERY (FUEL, OIL, OR WATER)
In the event a covered vehicle runs out of fuel or water while being operated, a service call will be provided to deliver an emergency supply of such fuel (up to two gallons / 8 litres included) or water to the disablement site, except where prohibited by law. Any additional cost of fuel (or other fluid costs) shall be the consumer’s responsibility.

LOCK-OUT ASSISTANCE
In the event the operator of a covered vehicle locks the keys inside the glovebox / storage compartment, a service call will be provided to assist in the opening of the locked vehicle. The cost of a replacement key or key fob, if necessary, shall be at the customer’s expense.

EXTRICATION / WINCH-OUT
Roadside assistance will arrange for the extraction by winch services of the covered vehicle that is within 10 feet / 3 meters of a maintained roadway. The service does not cover vehicles that: (i) require more than one light duty tow truck to provide the service, (ii) are involved in a vehicle recovery situation, (iii) have been submerged in water, or (iv) have been off-roading and are not on a maintained roadway.
